

BORÓWNA

To Agrourist Farm "Borówna" is easiest to get from Bochnia city. Going from sides of Cracow or Tarnów by road No. 4, on bypass of Bochna city we turn into Limanowa direction onto road No. 965. After knock down about 4,5 km we arrive to city New Wiśnicz, passing after road locality of Kopaliny. After next kilometer, passing of fuel station "Orlen", cemetery on the right and two sharp turnings /left, right/ we arrive to centre of city. There, on first, large crossing we turn into Uszew direction /not more Limanowa/, and on next into right, into Lipnica Murowana direction. We go main road all the way, we pass bridge, swimming pool, and after 2 km first bus stop of PKS /wooden/ on left. After next 2 km we see second bus stop of PKS /glass/ on left. We go 500 meters winding road through forest and we leave on hill straight onto crossing. It is there third bus stop of PKS /wooden/ as well as direction on locality Chronów and Borówna /left/. We DO NOT TURN !!! We go further straight. After about 1 km we arrive to fourth bus stop of PKS /wooden/ on the right. In opposite there is asphalt road, and there we turn left. We cross 800 meters and we reach to large wooden house with brown roof, surrounded 2.5 meter hedgerow. We are on the spot!
